

## COCKTAILS AT BOTTINO

BOTTINO offers several different room options for cocktail events.

The **POOL ROOM**, which seats up to 50 for dinner, is suitable for a standing cocktail for up to 45 guests with a bar set up and minimal seating, ample standing. The room has a sound system and ipod connection for your ambient music.

The **NORTH GARDEN**, our larger central patio area, is available for early evening cocktails only. In warm weather it can accommodate approximately 50 guests with some tables and most standing; in cold weather the space is enclosed (and is used year round) for approximately 30 guests.

THE **NORTH GARDEN** is only available in combination with the **POOL ROOM** except for small cocktail events ending by 7:45 PM. For later events it is necessary to take the POOL ROOM with or without the NORTH GARDEN depending on guest count.

The small **EAST GARDEN** is available for groups of up to 24 guests.
